"Wherever you go, you take yourself with you." — Neil Gaiman

Objective Statement

Summary Seeking an internship opportunity in the field of computer science and technology, particularly in cloud computing, software development, and artificial intelligence (AI). As an almost graduate, I am eager to collaborate with a dynamic team and learn from experts in the workforce. With my strong technical skills and ability to adapt, I aim to make meaningful contributions that can drive quality, community and creativity.

Skills

Programming	Python, JAVA, C++
Software Development	HTML, CSS, MySQL, Linux shell scripting, Django, PHP, Flutter
Writing	Academic, Technical, Content, Creative
Soft skills	Adaptibility, Quick Learning, Strong Communicator, Leadership
Research	
Public Speaking	

Education

BSc in Computer Science *Dhaka, Bangladesh*

Independent University, Bangladesh *2019-Present*

- CGPA of 3.50

Projects

2024	**Medical Imaging Research**, Journal paper in progress on deep learning-based automatic kidney tumor localization using convolutional neural networks (CNN). Supervised by Dr. Saadia Binte Alam, Head of CSE Dept., IUB.	*Research Project*
2023	**Cloud HemoSphere**, An AWS cloud-based blood banking web application aimed to enhance client security regarding sensitive data.	*Cloud-based Application*
2023	**IUBComp**, A prototype competition website for IUB club competitions, including voting and photo submissions aiming to enrich student achievements.	*Web Application*
2022	**NastarBaksho**, A customized snack box website for a system analysis project to study SDLC. Familiarized with representing systems through ERDs, data flow diagrams, use case diagrams, CRUD matrices, etc., and conducted requirement analysis using information-gathering methods such as JADs, funnel interview technique, etc..	*System Analysis Project*

Experience

Editor-in-Chief *Remote*

Kitchen Sink, a literary journal *2021 Jun-2022 June*

- Founding member of one of the first online English poetry publications in Bangladesh
- Collected, edited, provided feedback and organized publications which garnered a following of 2500+ on social media
- Organized and co-hosted a 3-hour recital event with 17 performers and a live audience of approximately 100

Content Creator *Remote*

Oroddho Foundation *2021 Oct - 2023 Jan*

- DOP & Editor for the promotional poster of 'Muktir Notun Digonte', a documentary funded by KIGEPE
- Curated and created SEO content to enhance social media reach

Honors & Awards

2024	**1st Place Winner**, 3-Minute Thesis Competition	*CSE Annual Research Day at IUB*
2023	**1st Place Winner**, Microprocessor Project Showcase	*IUB Tech Fest*
2023	**1st Place Winner**, Web Application Project Showcase	*IUB Tech Fest*
2022	**Dean's Merit List**, for academic standing	*IUB*

Extracurricular Activity

2022	**Organizer and Poetry Recitation**, Organized and hosted the first post-lockdown live poetry event 'The Sinkening' with around 100 attendees and performed original poem 'Spiral'	*Kitchen Sink, a literary journal*
2023	**Poetry Recitation**, Performed thrice with original poems at 'Slam Poetry Nights' conducted by Shout & Daily Star Books	*The Daily Star*
